Self-Examination Questions

What hindrances might lead your heart to not be open right now to receive healing?

Do you have a teachable spirit involving healing? If not, what will it take to open your spirit to completely receive these teachings?

Which of the following fallacies have you encountered? Which do you identify with the strongest, and why do you need to replace this type of thinking?

Some examples of wrong thinking:

- God only heals some people.
- God actually wants a person to be sick for them to learn something.
- God actually wills for a person to be sick as a punishment.
- God desires for the person to be in that situation.

Personalize Andrew's Closing Prayer

Father, thank You that I am starting this Healing University. Father, I thank you that nothing is impossible for You (Luke 1:37). I thank You that regardless of how long I've had something or how many times I've asked other people to pray, I know that all things are possible (Matt. 19:26). I know that You want me well. I believe that, and so I act on the Scriptures.

I believe that when I pray, I receive right now and then I shall see the future manifestation (Mark 11:24). Right now, Father, I receive this truth that it is Your will for me to be well. I receive it, and I believe that right now in my heart faith is rising up that You want me well more than I want to be well.

Father, I believe that Jesus died to purchase this for me. Thank You that Jesus went about healing all that were oppressed of the devil (Acts 10:38). I thank You for hope rising right now, for faith rising up, and I believe that this begins the process. Father, I receive this truth and will let Your healing power flow through the Word of God into me.

Proverbs 4:22 says, that Your words are “*life unto those that find them, and health to all their flesh.*” Father, I speak forth this word, and I speak healing into my body right now in the mighty name of Jesus. Thank You, Father, that it is Your will that I am well. I receive it. Amen.

Action Steps

- Settle in your heart that God wants you well, and don't deviate from that truth. Take a dry erase marker and write the following statement on your bathroom mirror as a daily reminder:

I believe it is God's will for me to be well. _____ (sign and date)

- Start a Healing University journal that you can refer to throughout the three sections of Healing University. Write your answer to this question: *What does the Word of God say about whether or not God wants me healed?*
- Daily read aloud your belief statement and your answer to the question above. Speak out your confession that God wants you healed. Let that become the song in your mind that keeps playing when the Enemy tempts you to doubt. God loves you and wants you well!
