Self-Examination Questions

If you believe that you are fighting a fight from victory, how will your prayers and attitude be different?

Have you prayed and not seen an answer? After studying this lesson, how might the armor of God have affected the situation?

How often do you think you utilize the armor of God? Do you plan on utilizing it more often now? Why or why not?

Prayer Points

Use these prayer points to write and pray your own powerful prayer:

- Thank God for loving you and for not being against you.
- Thank Jesus for obtaining victory over the enemy.
- Declare that you are fighting from a position of victory.
- Ask God for boldness to fight the good fight of faith.
- Thank God for providing protection for you to use.
- Commit to use the armor of God every day.
- Praise God for each piece of armor as you name it.

Action Steps

- In your Healing University journal, draw or write the names of each of the six pieces that make up the armor of God. Write the spiritual significance of each piece. Consider your situation and what you are praying for. Visualize yourself putting on each piece of the armor of God. Detail how you will use each piece in your fight. Write about the victorious outcome you will have!
- Settle in your heart that you're fighting from a position of victory against the devil who is trying to steal your health. God's armor in your life is what enables and empowers you to stand against the wiles of the devil. Examine your heart and, when you are ready, make the following declaration and don't waver from it:

I believe that I'm fighting from a position of victory against the devil who is trying to steal my health. God's armor enables and empowers me to stand against the wiles of the devil. _____ (sign and date)

- Write your own answer to this question: *What will keep you standing and not quitting while waiting for your miracle?*
