**Self-Examination Questions**

*What have your thoughts been about the connection between sin and sickness? How do you now view that connection?*

*What have your thoughts been about the connection between sin and healing? How do you now view that connection?*

*Which alliance do you find yourself being affected by the most? Why?*

**Personalize Duane's Closing Prayer**

Father, I thank You that I believe the truth that I've heard in these lessons. I mix faith with the Word. I walk in the truth, and that brings me joy. I thank You that You came to make me whole. You didn't just come to save my spirit and let me struggle through life. I became a new creation because of the work of the cross, and You sealed my spirit unto the day of redemption. I thank You for my complete forgiveness in Jesus. I thank You for Your Word that's healing my soul and transforming my life as I renew my mind to Your Word and will. I thank You that Your Word has declared Your will to heal, and I don't waver on your willingness. I expect to see Your goodness in my life. I expect to see Your power in my family and everything that concerns me. I expect to see it in the church and in my community as we, the body of Christ, go out under the leadership of the head of the body, Jesus Christ. I pray this in His name. Amen.

**Action Steps**

- In your Healing University journal, divide your page in half and label the left half "Satan's Alliance" and the right half "Jesus's Alliance." Write down details of what you learned in today's lesson about the characteristics and results of those alliances. Search for more scriptures to add, and also add any examples from people you know who have been affected by either alliance.
- Settle in your heart any doubts about which alliance sickness falls under and which alliance healing falls under. Examine your heart and, when you are ready, make the following declaration and don't waver from it:

I believe that God has broken up Satan's unholy alliance of sin and sickness and through Jesus has created a holy alliance of forgiveness and healing.
