**Self-Examination Questions**

*Can you think of a time when the Holy Spirit impressed something on you to do?*

*Did you do it? If so, what happened? If not, why didn't you?*

*Are you willing to follow the flow of love and the flow of light?*

**Prayer Points**

Use these prayer points to write and to pray your own powerful prayer:

- Thank God for His Word.
- Declare freedom from fear and pride.
- Confess to not always following past impressions from the Holy Spirit.
- Commit to follow the flows of love and light and yield to the Spirit.
- Ask God for divine appointments and connections.
- Declare boldness to pray for the people God brings to you.

**Action Steps**

- In your Healing University journal, write about an experience when someone flowed in the gifts of the Spirit. How did it affect you? How did it affect the person being ministered to? What did it teach you? Are you willing to be used by God in that same way now? Write a prayer of commitment to flow in the gifts of the Spirit when prompted.
- Settle your heart that the Holy Spirit makes Himself available to—and that the gifts are for—every believer. You can flow in the supernatural by listening to Him and following the impressions you get. Examine your heart and, when you are ready, make the following declaration and don't waver from it:

I believe that that the Holy Spirit makes Himself available to me and I can flow in the supernatural by listening to Him and following the impressions I get from Him.
