

**GO DEEPER**

**Self-Examination Questions**

*Do you believe you have the power inside you to heal and raise someone from the dead? Why or why not?*

*Are you willing to minister healing to others?*

*What hesitations do you have about commanding God's power? What will help you become bold in commanding God's power?*

**Prayer Points**

Use these prayer points to write and to pray your own powerful prayer:

- Thank God for healing.
- Thank God that you are anointed with His power.
- Ask God to open up your understanding and show you what He has placed on the inside of you.
- Ask God to help you see that the same power that raised Jesus Christ from the dead dwells inside of you.
- Declare that you are willing to use the power and authority that God has given you.
- Ask God for revelation of the power inside you.
- Commit to speak and command the power of God inside you.
- Ask God for opportunities to help others walk out their healing.

**Action Steps**

- In your Healing University journal, write an explanation of how you view Andrew's comment that you are "God's mobile office" when you minister to others. Take some time to ponder ways that you can see yourself going out to minister as God's representative. List some of the contacts and resources that you have for going and ministering in Jesus's name to people who might not have anyone else to stand with them for healing. If possible, set up a timeline and schedule of when you have opportunities to minister. Begin praying for boldness to minister in all opportunities that God provides.

- Settle in your heart that God has committed healing power to you and that you have it on the inside of you. Examine your heart and, when you are ready, that make the following declaration and don't waver from it:

I believe that God has committed healing power to me, and I have it on the inside of me. \_\_\_\_\_ (sign and date)

- Write your own answer to this question: *What makes you an able minister of healing?*
