

**LESSON REVIEW  
QUESTIONS**

1. According to Psalm 78:41, what might contribute to a lack of healing?
2. What important insight does Luke 5:12-13 give about whether healing is God's will?
3. Why do you think Jesus didn't take offense at the leper?
4. According to Luke 10:19, what does Jesus give you and what are you to do with it?
5. Using the examples in today's teaching of people healed by Jesus, what "work" did people do to contribute to their healings?
6. Why should you no longer question whether it is God's will to heal?
