

## POINTS TO PONDER

- Satan is the one that created an unholy alliance between sin and sickness.
- God anointed Jesus of Nazareth with the Holy Ghost and power. God has anointed Jesus's body—the church—with that same anointing and power to destroy the works of the devil.
- That same power that raised Jesus from the dead is available to us today. Now, we are to go about doing good and extending healing to all that are oppressed of the devil because God is with us. You and I don't have the power to heal anybody, but we have the authority as the body of Jesus.
- God is blessed when we walk in the truth, His Word, and by faith. God has forgiven us of all our sins through the blood of His Son, Jesus. In that forgiveness, He has made healing and a life of health available as we learn to access His promises and blessings by faith.
- Unity and power is released when we cease from dividing, persecuting, and attacking each other as members of the body of Christ. The place of protection makes the will, plan, and purpose of God available, which includes the forgiveness of our sins and the healing of our bodies.
- Do not let the sin in the world or any personal sins negate the healing power of God.
- As you grow in your understanding of your forgiveness, and as you believe you receive forgiveness, it gets easier to believe for your healing.
- The reason God has provided so many ways to receive healing is because He wants every one of His children healed.
- No matter where you are in your walk of faith, God wants to touch you. He wants to meet you where you are and extend to you not only your forgiveness, but also your healing.
- We've already conquered death in our hearts if we are born again. As a believer, if the Lord tarries, death is just a transfer from this life to heaven. It's slipping out of our bodies into the presence of God.
- There's an awakening in the body of Christ, and we are learning by the Spirit of God who we are in Christ. We are the very body of the Lord Jesus Christ on the earth, and He owns this temple. This body has not been redeemed, but it has been purchased and will be redeemed at the return of the Lord. It belongs to the Lord, and God wants it whole.

- God wants us healthy so that we can be the witness of this new life and the resurrection of Jesus.
- You can't lay hands on the sick, go into all the world, and preach the Gospel if you're bedfast.
- The Word of God is God's thoughts. If God's thoughts don't blow your thoughts away, then you're not hearing God's thoughts. Our carnal mind wars against what God is saying, and many people come up with private interpretations of what something means.
- Matthew recorded that everything Jesus did in physical healing was what Isaiah prophesied.
- It was sin that brought sickness to the world. So, if the cross is where God forgave us, then healing is just one of the many benefits that God made available to us at the cross.
