

**GO DEEPER**

**Self-Examination Questions**

*What does it mean to you personally that Jesus healed all and that no disease is exempt from Jesus's healing?*

*Was there a time in your life when you felt that Jesus would not heal you? What circumstances led to that thinking? How does this lesson change to your attitude toward Jesus healing you?*

*What impacted you the most about Jesus's healing ministry recorded in the Gospels?*

**Personalize Greg's Closing Prayer**

Insert any personal ailment you have struggled with into this prayer.

I command that I go free from \_\_\_\_\_ today, in Jesus' name. The Lord is freeing me from \_\_\_\_\_ today. I am the seed of Abraham who believes in Jesus. I say to the seed of Abraham go free from that \_\_\_\_\_, in Jesus' name. \_\_\_\_\_ stop. Healing flow. Life flow, in Jesus' name. Jesus makes me whole. Jesus makes me well. Jesus heals my \_\_\_\_\_ now. I release the healing power of Jesus. Whatever my need is, the healing power of God is flooding my body. I release to my body the healing that belongs to me. I release the power of God. I command pain to leave my body. God is healing and restoring me right now, in Jesus' name. The name of Jesus is above that name of \_\_\_\_\_ and I release the healing power of Jesus. Jesus is the same today. He's healing me today. I curse \_\_\_\_\_ in the name of Jesus. The same Jesus that healed those lepers when He walked the earth heals me right now, in Jesus' name. I praise You, Father, for the healing virtue of Jesus. Father, I thank You. I love You. I appreciate You, Lord. The Lord Jesus is touching me. His Word is going into my body, and in His power, His Spirit is making me whole. I glorify You, Father, and thank You for You. Jesus, You are the healer. You are my healer. You haven't forgotten about me. You're the same yesterday, today, and forever. What You did when You walked the earth, You're doing today by Your Spirit, and I receive the healing virtue of Jesus manifested in my physical body, in Jesus' name. Amen.

**Action Steps**

- In your Healing University journal, write the words “Jesus Healed All” at the top of the page. Begin a list of all of the healings in the Gospels. Write the reference and a brief synopsis of the healing. At the bottom of the page, write your conclusion on whether or not healing is Jesus’s will.
- Settle in your heart that Jesus is the same today and has healing for you if you will only believe. Examine your heart and, when you are ready, make the following declaration and don’t waver from it:

I believe that when Jesus ministered on the earth, He healed all, and He hasn’t changed. He has healing for me.

- Write your own answer to this question: *What does the healing ministry of Jesus look like in my life today?*
