

**LESSON REVIEW
ANSWERS**

1. How do you know that healing is the will of God for everyone, all the time?

Possible answers: Jesus is the same yesterday, today, and forever, and He healed all; in the Atonement, Jesus paid the price for everything we need, including healing.

2. Explain *dunamis* power.

Dunamis means miraculous power, force, or might, and the ability to make something possible. It is like a gun, taser, handcuffs or car that helps a deputy bring in a criminal.

3. Explain *exousia* power.

Exousia means privilege, authority, capacity, competency, control, and jurisdiction. It is like the badge of a deputy that gives him jurisdiction in a city or town to enforce the law with the complete backing of the entire police department.

4. To whom did Jesus give *dunamis* and *exousia* power?

He gave His disciples power and authority, and we are His disciples.

5. How can you use *dunamis* and *exousia* power in your life?

I use *dunamis* power when I use the gifts of the Spirit, the Word of God, and the name of Jesus. I use *exousia* power when I exercise the authority to run sickness out of my body.

6. What does it mean to exalt the truth above the facts?

Possible answers: I exalt the truth of God's Word over the facts of what the doctors say; I don't submit to a negative report, because God's Word trumps every report.
