

**LESSON REVIEW  
ANSWERS**

1. According to John 3:16, God's love moves toward us and offers eternal life to those who believe. How can you experience eternal life right now?

**I can experience all the fullness of God by believing. All His blessings and all of His inheritance is for me, right now.**

2. When you receive a revelation of the power of God's love, you will understand some of the things that God's love destroys. Name some things that are destroyed by His love.

**Possible answers: God's love destroyed the power of sin and death, the work of the Enemy, the separation between God and me, and sickness.**

3. In 1 John 4:9, the love of God is manifested toward us through His Son, "*that we might live through Him.*" Why is recognizing that you live through Jesus important to grasp?

**The reason that I can live through Him is because He now lives within me, and that means everything of this body and this life can now be lived through the finished work of the cross and through the demonstration and manifestation of God's love.**

4. Read Romans 8:32-39 and point out each way God's love destroys sickness.

**According to Romans 8:32-39: God gives us all things, including health (verse 32); no one can bring a negative charge against me because God justifies me and sickness cannot reign in my life (verse 33); God does not condemn me, and Christ intercedes for me, reminding God that He paid for my healing (verse 34); nothing can separate me from God's love, not any pain or symptom (verse 35); I am more than a conqueror, and I will more than conquer sickness (verse 37); and nothing, no doctor's report or symptoms, can separate me from God's love (verse 38-39).**

5. Whenever the Gospels mention that Jesus was moved with compassion, what happened next?

**Miracles or signs and wonders are a result of Jesus's love taking action.**

6. How do you move Jesus to compassion so you will see your healing?

**Possible answers: I do not do anything except grow in my understanding that God loves me, receive Jesus's movement of love toward me, and expect my healing to follow; I cannot move Jesus because He already made the movement of love toward me so that I can receive my healing.**
