Self-Examination Questions

Have you been disappointed because a healing didn't happen the way you thought it should? What happened, and how do you view that experience now that you've learned there are many ways Jesus heals?

How can you help yourself or someone else grow in faith to receive healing?

Which of the ways that Jesus healed matches your level of faith today? What might affect your faith?

Prayer Points

Use these prayer points to write and to pray your own powerful prayer:

- Thank God for His Word that clearly shows Jesus is the Healer.
- Praise God that healing can be received in a variety of ways.
- Ask God to reveal to you what you have faith to believe for.
- Proclaim that you have faith to receive healing.
- Ask God to bring opportunities to share what you're learning about healing.
- Thank God that He will use you to minister healing as you boldly step out.
- Praise God that He desires wholeness and complete healing for you and everyone you minister to.

Action Steps

- In your Healing University journal, write down a list of the different healing testimonies you are aware of. Start recording similarities and differences. You may want to categorize them according to the type of healing. As you look over your list, write down keys you see that you want to share with others to help them recognize what they have the faith to believe, for their own healing. Continue to add to this list and write down your own observations as you pray for others. As you gather and record more healing testimonies, you will bolster your faith and the faith of others as you share them.
- Settle in your heart there are many different ways to receive healing. God is not up in heaven trying to decide which way you should receive. How we receive from God is

based on what's in our own hearts. Healing is according to our faith. Examine your heart and, when you are ready, make the following declaration and don't waver from it:

I believe that there are many different ways to receive healing and my healing is according to my faith.
