

**GO DEEPER**

**Self-Examination Questions**

*What is God saying to you about how you will be healed?*

*What scriptures are you standing on and speaking out?*

*What picture do you have on the inside of you about your health?*

*How are you preparing in advance for counterattacks from the devil?*

**Prayer Points**

Use these prayer points to write and to pray your own powerful prayer:

- Thank God that you are a victor and not a victim.
- Thank God that you are His beloved and He loves you.
- Ask God to continue to reveal to you how loved you are by Him.
- Ask God to give you courage to focus and change focus from the condition of the way to the Maker of the way.
- Thank God for providing His Word to use against counterattacks.
- Proclaim that you will prepare and fill yourself with the Word of God.
- Praise God that His love and His Word makes you whole.

**Action Steps**

- In your Healing University journal, write down a preparedness guide of how you will deal with counterattacks to your healing. Be specific. As you research and write down verses, make a plan for when and how you will use those verses. For example, make a recording of the scriptures and continually play it. Memorize them, put them on index cards on a ring, and read through them each night before bedtime.
- Settle in your heart that God loves you and wants you to see yourself healed. God wants you to get the Word inside you to prepare you to keep your healing. Examine your heart and, when you are ready, make the following declaration and don't waver from it:

I believe God loves me and wants me to see myself healed. I will begin to get the Word of God inside me to prepare to keep my healing during counterattacks.
