Father, in the name of Jesus, I thank You that Your Word is alive and powerful. Things have been getting cut off from my heart: lies, identification, and old belief systems. Lord, Your Word is like a skilled surgeon—like a two-edged sword that has come to cut away what would bring me into sickness, disease, bondage, and limitation. And I declare, in Jesus' name, that all of that stuff is cut off from my heart right now. In the name that is above every name, I speak healing and wholeness over myself right now. I release the gifts of the Holy Spirit, the gifts of healings, the gifts of miracles, and all that God has for me. I release it into my heart right now for me to be able to live, know, and be established in the will of God because I am in the Word of God. Father, I thank You for Your mercy. Thank You that You meet me where I am and move me forward. Thank You for the covenant. Thank you for the New Covenant that is established upon better promises. I am so grateful, Lord, for who You are and for what You have done. Lord, allow the Holy Ghost to marinate me in spirit and in truth. Lord, I believe my DNA is being changed even right now. _____, I curse you in the name of Jesus and say you have no place in the body of Christ. You have no place in the temple of the Holy Ghost. You have no place in the body that belongs to the Lord Jesus. I bless You, Lord God, and I thank You that healing is mine all because of You, Jesus. You took my sickness and brought me healing. You took my sin so that I could become righteous. And Lord God, I praise you today. I worship You, and I thank You for Your amazing provision and Your amazing grace. I pray this all now in the wonderful name of Jesus. Amen.

Action Steps

- In your Healing University journal, draw a vertical line down the page and write “Old Covenant” at the top on the left side and “New Covenant” on the right side. Fill the page with details about each covenant so that you can do a side-by-side comparison and see the differences. Take time to thank God for being under the New Covenant and tell Him all that it means to you.
- Settle in your heart that your healing is no longer based on you doing anything but on your response to what Jesus already did. Examine your heart, and when you are ready, make the following declaration and don't waver from it:

I believe that I am under the New Covenant and my healing is based only on what Jesus already did. _____ (sign and date)

- Write your own answer to this question: *Why does being under the Old or New Covenant matter to my healing?*
