

**LESSON REVIEW  
ANSWERS**

1. What does it mean if a healed person feels sick again?

**Possible answers: A healed person can feel sick again because we live in a fallen world; the person might not have God's Word in them or know how to resist the sickness; there might be unforgiveness that has opened the door to sickness.**

2. How does Hosea 4:6 relate to a healed Christian's confusion about a sickness returning?

**Hosea 4:6 points out that God's people are destroyed from a lack of knowledge. Christians need to know what God's Word says and apply that wisdom to their lives so they can walk in health and help others.**

3. According to 3 John 4, what brings God the greatest joy?

**God's greatest joy is when His children walk in truth.**

4. Describe characteristics of God's wisdom and of the world's wisdom.

**Possible answers: God's wisdom is accessed by faith, it brings peace, renews our minds, makes us free, and should be embraced and followed.**

**The world's wisdom is sensual, of the five senses, demonic, and should be avoided.**

5. As you walk in God's wisdom, what will you see in your life?

**There will be a faith in God's grace that will cause a channel of His blessings to begin to manifest on a regular basis in my life, and I will have peace.**

6. How does unforgiveness affect a Christian?

**Unforgiveness opens a door for Satan to steal, kill, and destroy, and it damages us inside and holds us captive.**

7. How does repentance affect a Christian?

**Repentance binds Satan and releases God's forgiveness, which cleanses our souls.**
