Personalize Carlie's Closing Prayer

Father, I speak a blessing over myself in the name of Jesus. I speak a blessing over my body and over my mind. I take authority over all sickness and all disease in Jesus' name. I command the power of God to hit me from the top of my head and to flow through me to the soles of my feet and drive out every sickness and disease in Jesus' name. I take authority over it, and I command it to leave. Spirit of infirmity, I command you to leave now in Jesus' name. No weapon formed against me will prosper, and no plague is going to come near my dwelling. I declare over myself today that germs die on contact with my flesh. No bacteria, virus, sickness, or infection can touch my body and live. I am a temple of the Most High God, and no germs, cancer, or tumor can touch my body and live. I have the mind of Christ; I have the DNA of Jesus. No weapon formed against me shall prosper. I call null and void the reports that have been spoken against me, and I declare out loud today in the presence of God: "I believe your report Lord!" I believe the report of the Lord. Amen.

Action Steps

- In your Healing University journal, write a prayer for your healing based on the Gospel. Use verses that show what the Gospel says. Pray this prayer over and over to correct any prior wrong thinking and to change how you think about your healing now.
- Settle in your heart that healing is part of the Gospel and is for everyone, including you. Examine your heart, and when you're ready, make the following declaration and don't waver from it:

I believe the report of the Gospel that healing is for me, and I will respond in faith to it.
