

**GO DEEPER**

**Self-Examination Questions**

*Do you identify with the hope the world gives or with the hope that the Word gives? Why?*

*Are you fully persuaded that God is able to do what He promised in His Word that He would do?*

*If you were to receive what you've been believing or doubting for right now, what would happen in your body? Is that what you would want to happen? If not, what can you do to change your thoughts?*

**Prayer Points**

Use these prayer points to write and to pray your own powerful prayer:

- Thank God that He sent His Word.
- Thank God that you have faith.
- Praise God that you already have faith because you're born again.
- Declare that fear has no place in you.
- Proclaim that your faith trusts in God and receives what Jesus did on the cross.
- Thank God for supernatural hope.
- Call things that are not as though they are.
- Praise God that He is THE healer.
- Thank God that His Word is truth and your faith believes the truth.
- Thank God that He has a good report for you.
- Praise God that healing is for you.

**Action Steps**

- In your Healing University journal, write down an exhaustive list of statements about faith from this lesson. Rewatch the video again and make your list. Ponder and come up with other statements that you can write down. Match verses from the lesson to each statement. Search the Bible for more verses to add to the list. Choose at least two verses to commit to memory this week.

- Settle in your heart that faith believes the Word of God, receives the truth, and takes ahold of it. Examine your heart and, when you are ready, make the following declaration and don't waver from it:

I believe that my faith doesn't create my healing, but by faith I receive my healing because Jesus is the healer.

- Write your own answer to this question: *How will you get faith for your healing?*
