

**GO DEEPER**

**Self-Examination Questions**

*Which of the technical pointers are easiest for you to follow? Which will be more of a challenge for you?*

*Are there any of the ministry considerations that you feel uncomfortable with or find difficult to follow? What might help you deal with them?*

**Prayer Points**

Use these prayer points to write and pray your own powerful prayer:

- Thank God for His Word that shows us how to minister.
- Thank God for His love and healing.
- Praise God that He has all the answers that you need.
- Ask the Holy Spirit to instruct and lead you into all truth.
- Commit to have a teachable heart that allows the Spirit and Word a prominent place in your life.
- Surrender all to God.
- Praise God for opportunities to minister.
- Praise God for these ministry tips and ask that they be brought back to your memory as needed.

**Action Steps**

- In your Healing University journal, condense the points of the outline pertaining to technical pointers and ministry considerations into a personal checklist of items that you want to remember and follow. Prayerfully prepare yourself and visualize doing these as you minister to others. Recognize which items may be uncomfortable or more of a challenge for you and figure out how you can become more comfortable with them. Read through your checklist and memorize key verses that you want to boldly speak as you minister. Begin praying for opportunities to minister.
- Settle in your heart that God will use you to minister to others, and you can minister without fear because you have wisdom from the Word and the Spirit of God. Examine

your heart and, when you are ready, make the following declaration and don't waver from it:

I believe that God will use me to minister to others, and I can minister without fear because I have wisdom from the Word and the Spirit of God.
